

Edith Horton

A Group of Famous Women

It is a remarkable fact that little attention, if any, has been given to the study of the careers of distinguished women, and the question has often been asked why short biographies should not be prepared, in order that the pupils in our schools might become familiar with the noble and unselfish lives of the many remarkable women whose influence has been inspiring and uplifting. It is hoped that those who read the stories of the lives of the women whose names appear in this volume will find in them an incentive to guide their own lives into useful channels. Summary by Edith Horton (Author)
Genre(s): Biography & Autobiography
Language: English

Read by LibriVox.org volunteers. Total running time: **04:15:08**

This recording is in the public domain and may be reproduced, distributed, or modified without permission.
